This letterbox is inside the REI store in Brookfield, WI. It was planted to coincide with the Letterboxing seminar Wisconsin Hiker gave on March 2, 2004 and the first WILBNA Gathering earlier that evening. A big thank you to the people at REI for allowing us to hide this letterbox in the store!

Note: The store is rearranged every fall and spring. I have re-written the clues to make them resistant to changes in the store, but changes in the store *might* make these clues not work. The employees at the store enjoy having letterboxers come to look for the box, and should be able to help you if the clues don't work. They have agreed to keep the box in the location indicated in the clues, even though the exact location of said place may change. If you find the box out of place, please return it to where it should be and notify me. I will try to keep on top of changes in the store that change the clues.

To find this box, you must decode the following cryptogram. Each of the answers to the following clue questions will help you decode the last clue.

GJRU RXCOFCDH QSXX

2) When you enter the store, what is written in large letters above the displays to your left?
